

we've got a pipe for that

# Aquatherm Technical Bulletin

201210A-AQTTB

## **Fusing Esthetic Considerations**

Date Issued: 26 November 2012

Withdrawn 1 October 2017

Appearance says a lot about a job and about the person who did the work. Therefore, we encourage our Aquatherm installers to take an extra second and line up those beautiful Aquatherm stripes on our pipes so that the installation looks attractive and appealing. In fact, take two seconds and line up the print strip and face it out so people can read it.
