

# Aquatherm Technical Bulletin

201407B- AQTTB

## Part Number Correction

Date Issued: 28 July 2014

Withdrawn 1 Oct 2017

There is an error in the catalog with two different parts having the same part number. Below are the products with both the previous and the corrected part numbers.

Previous Part No.	Correct Part No.	Part Name	SDR	Dimension (ND-OD)
112131SZ	2612131SZ	Aquatherm Blue, 90° (Short Radius)	11	6" -- 160 mm
112531SZ	2612531SZ	Aquatherm Blue, 45° (Short Radius)	11	6" -- 160 mm

Previously, the blue fittings had the same part number as the green fittings of the same size. When ordering the parts above, be sure to use the correct part number to ensure the proper fitting is delivered to the job site.
