

VALUE ENGINEERING LEADS TO PIPING INNOVATIONS AT NEW FAU FOOTBALL STADIUM

AQUATHERM ADVANTAGES

- A 10-year warranty eased longevity concerns
- Material savings for the larger sized water piping systems was approximately \$120,000
- PP-R negated concerns about jobsite theft of metal

PROJECT

Florida Atlantic University, Domestic & Chilled Water

PRODUCTS USED

Climatherm®, Aquatherm Greenpipe®

LOCATION/DATE

Boca Raton, FL
Summer 2011

THE CHALLENGE

Tight deadlines and budgets faced the plumbing and mechanical design teams

THE SOLUTION

Aquatherm's stable material cost and labor-saving heat fusion connections helped alleviate both of those concerns

"Aquatherm's extensive warranty and the fact that the piping system is much lighter – which facilitates pre-fabbing large sections of the piping system on the ground where it is safer and more efficient to work with – were some of the biggest benefits Aquatherm offered on this job." - DANIEL ROURKE, VICE PRESIDENT OF RIGHT WAY PLUMBING COMPANY
