

# PIPING ALTERNATIVE PROVIDES EXTENSIVE SAVINGS AND HELPS FORT HOOD "GO GREEN"

## AQUATHERM ADVANTAGES

- A 10-year multimillion dollar warranty
- Eliminated concerns about rust in the chilled water systems and the boilers
- PP-R's natural insulation value eliminated the need for insulation on the boiler supply and return lines

PROJECT	PRODUCTS USED	LOCATION/DATE
U.S. Army Buildings HVAC Piping	Climatherm®	Fort Hood, TX June 2009

### THE CHALLENGE

Base officials sought a less expensive, more environmentally friendly HVAC piping option

### THE SOLUTION

Aquatherm Climatherm cost approximately 20% less than steel and copper and contributed to the project earning LEED points

"...It was easy to run and took less time for labor, and it really looked cleaner on the design when we installed it."

- LOU CASTILLO, U.S. ARMY DEPARTMENT OF PUBLIC WORKS, FORT HOOD
